NEW HOPE, HAS GIVEN ME NEW LIFE. HAS REKINDLED MY DREAM AND HAS TAKEN MY COMPLETENESS TO A NEW LEVEL, RE-ENERGISING MY UNDYING LOVE FOR YOU. THROUGH THICK AND THIN, FEAR AND JOY, WE HAVE FACED IT ALL TOGETHER MY DEAR BROTHER. WE HAVE FACED EACH OTHER, LIVED Y

COMMITTED TO A BRIGHTER TOMORROW

Eco-Friendly Initiatives

Warwick Rittenhouse Square has been a proud resident of downtown Philadelphia since 1928. We are committed to doing our part to ensure we can continue serving the city for another century and beyond. Every individual action we take to promote conservation and efficiency is a step to a cleaner, healthier future.

GREEN INITIATIVE HIGHLIGHTS

Recycling program for electronics, batteries, and lightbulbs

Housekeeping implementation of the linen reuse program

Quarterly performance audits on energy and water consumption

Usage of high efficiency/LED lighting throughout the hotel

Third-party business contracted for recycling used kitchen oil

Partner with suppliers who commit to energy and resource conservation

Keyless entry for staff to reduce plastic use

Kitchen program for composting

Individual thermostats which reduce indirect greenhouse gas emissions through reduction of electrical consumption

Water-controlled showerheads in guestrooms

Use of non-toxic cleaning supplies

Cardboard recycling program

Eco-purchasing policies that factor environments considerations into purchasing and strategies

Use of local foods when possible
